How to Show Gratitude

Sometimes it feels like saying "Thank You" to a Veteran isn't enough.....you can show gratitude in many ways...here's a few!

- Volunteer at an event focused on helping veterans
- If you know a veteran – write them a simple note/card
- Make donations to non-profit veterans organizations
- Take money to a coffee shop, restaurant, barber, etc and designate it to be used for any veteran that comes in
- Offer a veteran discount if you are a business owner/manager

Being Thankful Makes Life Better.....

Stop for a moment and think about every good thing in your life. Even in the really rough moments, there's something good out of it. Life isn't always easy, but we must carry on every single day. If you choose to find the happiness, you'll find that life just won't seems as hard. Be thankful and find that happy! I'm thankful for YOU!!!!

Historic short stories about Oregon's famous ghost town, Shaniko. Fun & informational "corner".
~ Submitted by Debra Holbrook

My Shaniko "old folks" Home

I live in the little house south of the water tower at the north end of town. I have written about it when the last banker and his family lived in it. It is an original house with some major repairs made to its restoration. The Altermatt family had two boys. Darrel and Robert. The family sold the house in 1923 when Robert was four years old. In his book, *Shaniko Remembered* he tells of his brother's experiment with a bow and arrow he had made. Robert was to stay in the fenced front yard. Darrel went to the back yard and proceeded to launch his arrow over the house, aiming high. Robert impatient, ran around the house and the "misfire" struck him in the forehead above the eye. The boy's mother raced out of the house hearing the screaming child. He carried the scar a long time. When he visited in 1997 for the first Shaniko school reunion, he saw the house. "The house still sits there, in remarkably good shape considering its age. Even some original yellow paint can be seen in the grooves of the siding". Still with that mark of the past, the house is a neat "cabin". For me, as I'm aging, it is sentimental, as my parents saved the house, my mom passing here and my dad departing in 2020, I find it a treasure trove of memories for the 29 years it has been in my family. It seems to have a purpose to be a final historic resting place for the final chapter of life. Can't beat the view.

VETERANS DAY

Written & submitted by local reader, Roger Stanley

A lot of our Veterans put their lives on the line,
We, the people, need to give them more of our time.

Whether they are the present or in the past,
They have the American spirit that will always last.
They're sent abroad to take on the fight,
So all American's can sleep good at night.

They are the men and women of this great land,
They deserve more than a Big Brass Band.
America is the strongest, that's not hearsay,
It's our proud Veterans that make it that way.

There's been a lot of wars over the years,
And a lot of Americans have shed many tears.
Some make it home and some they don't,
Their sacrifice is what keeps America afloat.

They wear the uniform, for they're not shy,
They wear it proudly with their heads held high.
The ones that serve are Americas elite,
They stand together and can't be beat.

They are the backbone of this here land,
We, as Americans, with them we shall stand.
We say our prayers day after day,
We should honor our Veterans in the same way.

Our Veterans deserve more than their gettin',
They will agree to that, I'm a bettin'.
When that time of year comes our way,
Let's honor all our Vets on Veterans Day.

THERE'S NO COMPARISON

Civilian

- Your alarm goes off, you hit the snooze, sleep 10 more minutes.
- You take a warm shower to help you wake up.
- You complain of a "headache" and call in sick.
- You make sure your cell phone is in your pocket.
- You talk trash about your "buddies" that aren't with you.
- You complain about how hot it is.

- You go out to eat and complain because your order is wrong.
- You go to the mall to get your hair redone.
- You're angry because your class ran 5 minutes over.
- You get to hug and kiss your wife/ girlfriend every day.
- You roll your eyes as a baby cries too long.
- You see only what the media wants you to see.
- You stay at home and watch TV.
- You crawl into your soft, warm bed for a solid night of sleep.
- You sit there and judge him, saying the world is probably a worse place because of me like him.

Soldier

- He stays up for days on end.
- He goes days or weeks without running water
- He gets shot at as others are hit and keeps moving forward.
- He clutches the cross hanging on his chain next to his dog tags.
- He knows he may not see some of his buddies again.
- He wears his heavy gear, not daring to take his helmet off.
- He doesn't get to eat today.
- He wears the same things for weeks, but keeps his weapons clean.
- He's told he will be held over an extra 2 months.
- He holds his letter close and smells his loves perfume.
- He stares at the pictures of his new child - missing so much.
- He sees the broken bodies lying around him.
- He takes whatever time allowed to write home, sleep & eat.
- He crawls under a tank for some shade and hoping for 5 minutes of sleep before being woken by gunfire.
- If only there were MORE men like him!

A soldier makes these sacrifices (and more) so the rest of us can enjoy our luxuries....

Holiday Display Adventure

Waaaaay back in the days of my childhood.....we would load up in the car with a thermos of hot chocolate and some Christmas candy and drive around looking for/at all the beautiful Christmas lights and decorations! It is a core memory - and, in fact, my mom and I continue that tradition to this day!

Madras Go-'Round would LOVE to help others experience this fun and exciting adventure! Here's how.....If you are decorating for the Christmas holidays and wouldn't mind sharing your Holiday spirit..... send us your address and we will compile a growing list to be published beginning 12/2/2026 thru 12/23/2026. And each week new addresses that come in will be added!

Now, more than ever, we need to remember the simplicity of families spending quality, fun and exciting time together. So.....make a thermos of hot cocoa, lots of Christmas candy, blankets, and load the entire family into the car and make some amazing memories!

Submit your address one of the following ways.
